What is Dine Out! Kansas?

- √ Dine Out! Kansas is an award program that recognizes Kansas restaurants for achieving excellence in providing healthy food choices and a healthy environment for their customers.
- √ Dine Out! Kansas restaurants provide:
 - » A variety of healthier food choices, on the menu & by request, including fruit, veggies lower fat options & substitutions.
 - » A favorable track record in food safety .
 - » A 100% smoke-free environment.
- √ Your community health department or organization awards the restaurant for meeting these high standards in nutrition, food safety, and a smoke-free environment.

How do restaurants win this award?

The manager/owner/supervisor applied to join the program. A volunteer from your local community verified that these restaurant met all the criteria for the three standards: nutrition, food safety, and smoke-free environment. By meeting these criteria, the restaurant received an award certificate to display valid for one year.
